

English Springer Spaniel Club
of the Central States

April 15, 2006

Mrs. Mhari Peschel
10220 Weld County Road 1
Longmont, CO 80504

Dear Mrs. Peschel,

Our club held their annual meetin on February 25th, 2006, with twenty members in attendance.

We, discussed many different subjects , one being the July to July cut off dates, right in the middle of the year. Since, there are no available dates, we still would be holding field trials in September.

So, our club suggests to have the qualification back to National to National, with the cut off date ten days prior to the Nationals.

We, would like this brought up at both the Open and Amateur National delegate meetings.

Also, would like to have the subject brought up about having permanent grounds to hold the Nationals on.

During the Open National meeting, would like more discussion about the Parent Club taking over, or being involved in the Open National.

Sincerely,

Marie Langhans
