I plan to attend the Banquet

(# of attendees)

The cost is \$40/person. It will be a buffet featuring Grilled Chicken; Pasta; and Carved Beef. If you would please include it with your entries that would be appreciated. If you've already sent your entries, a check sent now would be appreciated. You can also let me know you are attending and pay at the door.

Please, don't plan on just showing up - remember the caterers only prepare for o/a 10-12 people more than we tell them. Thanks!!
