Name(s) of those attending \_\_\_\_\_

\_\_\_\_\_

With the price of everything going up, including our banquet, which is designed to celebrate and recognize everyone who was able to attain a placement this year and wishes to compete in our National Amateur Championship, our Chairman, Mike Wallace, would like to extend his personal invitation to attend. It is not just a dinner, but rather an expression of support for our organization and those who have attained special recognition in the past year. Where else can you tell "stories" about your dog to someone who is truly interested?

Thank you and Good Luck to each of you!
