August 2010

Dear fellow Field Trailers and Spaniel Enthusiasts:

My name is Mike Wallace, General Chair of the 2010 National Amateur Championship. Most of you know me and know that I am putting on the NAC with Jeff Brooks working with me as Field Trial Chair and we're very happy to do it for all the Amateurs that will attend. It's a labor of love for both of us.

We have several categories we need help with and we are asking at this time for your help. I know you are bombarded with requests for donations in our game and I apologize but with that said, please know it is a necessary evil being that we are non-profit and that we do all we can to keep entry fees down and in doing this puts us in a position to need donations to make ends meet and to put on the classiest event possible. Not to mention a great trial with the challenge our breed deserves and demands.

Below is the list of categories we need help with and any help you can offer would be much appreciated. No donation is too small. Please indicate with your check where you would like your contribution to go or denote "general fund". As everyone knows we have some of the best wing shooters in the world in our game and among other very worthy players and causes we need your help to support these efforts.

We hope to see you there but if you can't make it, please be sure to help support the event.

See 2<sup>nd</sup> page for a list of a few events we need help with.

Thank you,

Mike Wallace
