

Special Greetings!

2012 is a very special year for the National Amateur Championship – it is our 50th Anniversary! In this light, we would like to create a special booklet commemorating as much history and information as possible.

The only way we can do this is for EVERYONE to contribute! It would be greatly appreciated if you participated in this endeavor even if it is a memory about someone you knew long ago.

We would like you to write an article telling us about one or all of the below.

- 1) Your springer career
- 2) A special dog
- 3) A memorable event or special memory
- 4) An important event about Amateur Stakes
- 5) What stakes were like in the early days
- 6) An early participant you knew and you think should be included.

If you have any pictures you would like to share, please write the information & date on the back. It is important you also put your name on the back so the pictures can be returned.

Your deadline? Of course there is one – the sooner the better, but not later than July 2011.

Thank you in advance for your generous contribution.

P.S. If you weren't around 50 years ago and want to share with us – we need you also!
