

NOTICE OF CANCELLATION

On Aug.12, we were notified by The Imperial Land Co. that, as of Sept.1, we would no longer have the right to use our training and event grounds. The company sold the oil and gas rights and drilling is to start Sept. 1.

The news was devastating since we have used these grounds since 1992.

The short notice does not give us time to find new grounds and we are forced to cancel our hunt test which was scheduled for Sept. 11 and 12. Hopefully, we can regroup and find new grounds for a future event.
