

# Judge Report

The data in this report is the combination of historical information beginning in the 1970's and those found on AKC that are more recent. As placements are recorded for each season, the information is updated.

Numbers are based on stakes judged rather than trials and only springer trials are included (no Cocker assignments). There may be discrepancies between the number on AKC and those recorded here .

Please send updates and/or corrections to Jan Johnson at [jjohn@onlinenw.com](mailto:jjohn@onlinenw.com). If you would like an Excel version of this report, email me at [jjohn@onlinenw.com](mailto:jjohn@onlinenw.com) and I'll send one to you.

This report is currently scheduled to update twice per year in February and August.
